

The Committee on Women's Ministry

The Women of the North East, Mid-Atlantic and Eastern Canada Diocese were blessed to meet for our two annual events. These gatherings included two Women's Day Project Offering Luncheons and the 64th Spiritual Enrichment Conference, held in Williamsburg, Virginia at the end of September.

For the first time, the NEMA 2022 Women's Day Project Offering Luncheon was held twice, in different locations. Women attended one or both. It was hoped that the two separate luncheons, held in different states would encourage attendance and fellowship. Thanks be to God, this happened with excellent attendance at both events.

Reformed Episcopal women throughout our country and Canada remained faithful and gave generously. The 2022 Women's Day Project Offering Luncheons collected money that was to assist Father Enrique in his efforts to reunite with his family.

Two NEMA luncheons have been planned for May 2023. One will take place at Grace REC in Pennsylvania and the second at Faith REC of Maryland.

We encourage the women of our diocese to read the 2022-2023 Reformed Episcopal Devotional entitled, "Ascending to the Heavenly Places – Using the Psalms of Ascent as a Prelude for Worship" a devotional by Deaconess Canon Annette M. Johnson. They will be blessed.

In Christ,

Denise Snyder
